

# Muhammad Hamza, React Developer

Lahore, Pakistan, (+92) 3211688108, [muhammadhamzackt@gmail.com](mailto:muhammadhamzackt@gmail.com), [github.com/muhammadhamzackt](https://github.com/muhammadhamzackt)

---

## PROFILE

A novice frontend developer with a strong foundation in web development and a passion for creating high-quality, scalable, and user-friendly web applications. Proficient in all stages of frontend development, including HTML5, CSS3, and JavaScript. Experienced in utilizing Bootstrap 5 framework for responsive and mobile-first designs. Familiar with React JS for building dynamic and interactive user interfaces. Committed to staying up-to-date with the latest advancements in frontend development and eager to continuously learn and grow as a developer. Ability to self-manage and thrive in both independent and team-based projects.

---

## EMPLOYMENT HISTORY

Nov 2022 – Present      **Associate Frontend Developer, Busy Bee Technologies**

---

Leveraged HTML5, CSS3, JS, Bootstrap 5, and React JS to develop frontend web-apps. Led e-commerce platform development with intuitive UI. Committed to staying updated with latest trends. Strong in teamwork, delivering cutting-edge solutions with continuous learning.

Aug 2022 – Nov 2022      **Front-end Intern, Busy Bee Technologies**

---

Gained hands-on experience in developing and maintaining for front-end of various web applications using a variety of technologies. During my internship, I honed my skills in HTML, CSS, Bootstrap, JavaScript, jQuery, React JS and applied these skills to several real-time corporate projects.

One of my most notable projects was the development of front-end for a custom CRM system for a client, which involved working with backend developers to create a user-friendly web-applications and ensuring the system was secure and scalable.

and much more.

## EDUCATION

2019 – 2023 **BS Computer Science, Lahore Garrison University**

---

In addition to my academic pursuits, I have also been actively involved in extracurricular activities. I am a part of university ICT and English debating society (EDS), having organized and managed several events and representing the institution in various competitions. I also am an active member of university cricket team, contributing to the growth and success of the university sports club.

Furthermore, I have represented my university in several Sports Competitions held country-wide, showcasing my agility and sportsman spirit. These experiences have helped me to develop well-rounded personality.

2017 – 2019 **ICS, Kips College Lahore**

---

In addition to strong academic record, I graduated with active participation in sports, public speaking, singing, and other extra-curricular activities. Developed teamwork, leadership, public speaking skills, and broad knowledge.
